

## TRANSWEST RUNNIN' HI CLASSIC 2020

OCTOBER 16-17-18, 2020 – DOUGLAS COUNTY INDOOR – CASTLE ROCK, CO

As we all know, Colorado remains under certain restrictions due to Covid-19. Many of these restrictions have become well accepted over time (ie: our Social Distancing Sessions); others not so much. Douglas County Fairgrounds remains one of only 2-3 fairgrounds that are actually open and allowing events. It is the ONLY FAIRGROUNDS on the Front Range open for business. Given this situation, Mile Hi remains committed to manage to certain COVID Restrictions in an effort to avoid getting shut down. We simply ask that you all do your best to adhere to them:

- **Contact Tracing.** We DO NOT contact trace PERIOD. Regardless of what others might be saying; that's erroneous.
- **Masks.** Are required in PUBLIC places. Our event is private and at the fairgrounds; wearing a mask is ultimately your decision. Mile Hi remains committed to it's YOUR CHOICE.
- **Social Distancing.** We are required to adhere to the 6 ft Social Distancing. So, we simply ask that you try to stay 6 ft apart while waiting in any lines, standing in warm up pen, sitting in bleachers, etc. The 6 ft distance applies when socializing with other than your "normal folks from the same group" (family, hauling partners, etc are fine).
- **Concessions.** There will be concessions on site and the requirement here is you must be sitting down when eating. We simply ask that you do that. Take a seat in the stands or go to your trailer...but food consumption is required to occur while you are seated.
- **Gathering size.** We do have an approved variance which allows an increased number inside the indoor arena. Therefore, we can have spectators, have our awards presentation and introductions for the Shoot Out!
- **Warm Up Pen.** We need you all to self-limit, self-monitor. Please help us keep the warm up pen safe by not over loading it with folks waiting to run. We prefer to have no foot traffic in this area. We ask you stay 6 ft apart.
- It is important to note, these are restrictions that Mile Hi has been charged with. These are not our rules/restrictions/etc...we would just appreciate if you would do whatever to help us ensure we stay out of trouble!
